

Tokyo Financial Award 2024: Open for Application!

<Sustainability Category>

Why not promote initiatives that contribute to the realization of a sustainable society through the power of finance at the Tokyo Financial Award?

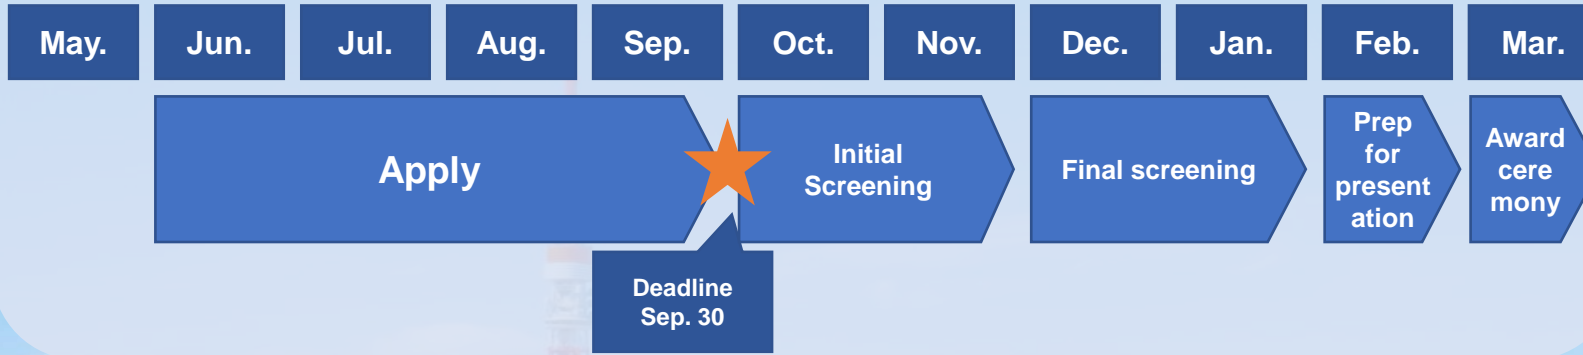

- Tokyo Financial Award aims to recognize and award financial services that contribute to solving social challenges, and initiatives that contribute to the promotion of Sustainable Finance.
- For the Sustainability Category, initiatives that contribute to the promotion of Sustainable Finance are welcome, which **approximately three** outstanding companies will be awarded.
 - **The Governor’s Special Prize for Green Finance** will be presented to a business that is particularly outstanding in its green finance initiatives.

***Applicants may apply to both subcategories**
